Worker**

If you come back or visit  
Mexico you can certificate or  
revalidate your knowledge  
and habilities.

## Do you know that you can obtain a certificate that validate your knowledge?

There are more than 150 standards of competence in which migrants can certify what they have been learnt in foreign countries.

The National Council for Normalization and Certification of Laborers Competentions (CONOCER), depend from Secretary of Public Education (SEP), reconigze and certificate the knowledge, skills and habilites of migrants in return, they can obtain an official certificate from SEP.

## ! You have to know!

In Mexico, you can obtain a productive and competitive job with good salary, through **Certificate** your knowledge, habilities and skills.

## ! You must know!

That the Government, Employers and Representatives of the workers, are part of the National Council for Normalization and Certification Laborals Competentions (CONOCER).

In this Council participate: Federal, Statal and Municipal Government Dependencies, Public and Private Educational Institutions, Professional Chambers, Bussiness Associations and Trade Unions.

## What does CONOCER?

- Expand the coverage of this support at the national level.
- Increase
- **Certification** of people skills.
- Achieve the satisfaction of service applicants.
- Achieve users satisfaction, thathave relationship to the elaboration of certificates.

## Are you interested?
