Bachelor Degree

If you come back to Mexico, remember that your children must continue to study.

In Mexico your Technical-Higher University, Associate Professional, Bachelor, Speciality, Master or Doctorate studies are revalidated and can be carried out partially or totally.

How to revalidate my Higher Education studies?

It is awarded for the level completed, as long as the studies of origin are valid in the educational system of the country of origin and are comparable with those taught with in the Mexican Educational System by at least 40%.

The full level revalidation establishes a procedure that depends on the type of academic training, in any case, **you must present:**

1. To request the revalidation with a competent educational authority consult:

www.dgair.sep.gob.mx
